Dear Lee:

Enclosed is a copy of a telecopied transmittal letter and its "enclosure," which I received from John Bass of Reddie & Grose this morning. John was in Jack Mandiratta's office in Neuchatel.

I have spoken by telephone with Messrs. Bass and Mandiratta about this matter. It came as a surprise to John Bass, as well as to me. John said that apparently Dr. Hach had been under pressure to take some action. Jack Mandiratta said that Bradley Brooks has been kept informed.

I told John and Jack that I would review the papers and that I hope to have some preliminary view by the end of the day today. I shall be available to meet with you, or to discuss this by telephone, at your convenience.

Very truly yours,

W. Edward Bailey
